# The Times of Refreshing

## From Pastor Craig's Desk...

Dear Partners:

I hope this letter finds you blessed as springtime begins! We have so few warm days in this nation that I enjoy when the snow starts to melt and the cold edge leaves the air.

Spring always seems so busy in the church world. It's the midpoint between Christmas and summer and everything in the Body of Christ seems to be in high gear!

Speaking of high gear, we have almost finished our transition phase from the last building to our new offices and systems. Some of you may have had delays in products or services from us as a result, so thank you very much for your patience as we continue to increase the level of excellence in all areas of this ministry.

I hope you enjoyed the last newsletter we sent out which highlighted all the folks who come together to make Times of Refreshing work. Each one of them is a real blessing to me. Without their help this ministry would not be anywhere near where it is today.

One of the things that has been on my heart so strongly since the end of last year is God's desire to see His children succeed in the work world. I believe this is a major emphasis in the spirit for the year of 2007. If you have watched the recent programs on "God, Wealth and the Church", you have seen my desire to increase our understanding in this area. That series of broadcasts was the longest single series I've done in nine years of broadcasting!

I have believed in a last days' wealth transfer since the 1980's when I first heard the scriptures taught explaining God's desire to bless His kids. Today, we are hearing it from many different sources. My wife, Anne, and I recently attended a two day seminar by C. Peter Wagner where he taught for sixteen hours on the subjects of Dominion, Wealth and Social Transformation. It was exciting to hear such a great apostolic leader also focusing on this right now.

It is time for the body of Christ to prepare itself for tremendous financial blessing. I believe this is part of the reason the Lord is dealing with deep or root issues in each of us. Money amplifies whatever is in a person. So God is working overtime in revealing our core motives as to why we live our life the way we do, and for whom we live it.

I feel strongly that it is important at this time for us to see ourselves as vessels through whom God can release great blessing for the expansion of His kingdom, for the sake of the world. God has continually stretched me regarding what He wants to do through me in the way of giving to those who will use it for His purpose, for those who are poor, and for those whom He wants to bless just to show them that He is interested in every level of their life.

Anne and I feel this so strongly that we plan to host one or two seminars in Calgary each year where we will bring in a committed Christian, who is successful in the marketplace, to teach and impart what the Lord has shown them for the sake of the greater body of Christ.

The first such seminar is right away in April, Monday the 23rd and Tuesday the 24th. Rich Marshall, one of the original fathers of the "ministry in the marketplace" message, will be our speaker. I highly recommend this seminar to those of you who are hungry for more revelation knowledge in the area of God's financial plan. Please call our toll-free number (1-8777-8777-87) for information and plan to join us!

On a different note, one thing I'd like to ask you to pray about is an opportunity we have to go on Vision TV.

The Times of Refreshing is designed to keep our partners up to date on what is happening in our ministry, Times of Refreshing.

We are confident you will find this a valuable source of information providing regular contact from the show host, Craig Buroker, a sneak preview about what is next on the show, and our latest product available.

We feel that God is using our ministry to impact this nation both as an oasis of God's presence to its viewers and as a trumpet call to Canada's church.

It is important for our partners to stay informed, and that is why we've started The Times. If you would like to write to us, see our contact information on the back of the newsletter. We love to hear from our partners!

## From Pastor Craig's Desk... *continued*

Vision TV broadcasts to 8.6 million homes in Canada and this is a tremendous opportunity for us to see Times of Refreshing touching a whole lot more Canadians. Through a Christian media group we have been offered a rate that is less than half of what it would cost us if we had approached Vision ourselves. But, if we decide to take this opportunity, it will more than double our monthly expenses. So this is something I'm praying for seriously to get the mind of the Lord.

Thanks so much for your faithful partnering with TOR! Please know that I value each of you that stand with us in your prayers and your finances.

You are a great blessing to me!  
For His glory!

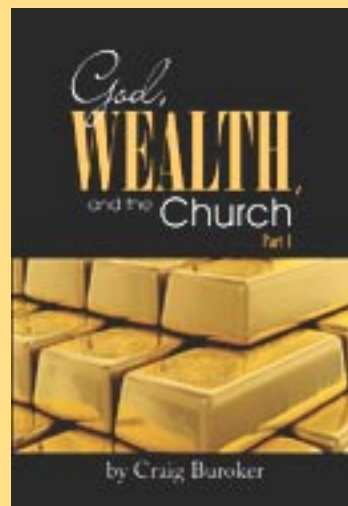

*Pastor Craig*

## India Praise Report!...

Many thanks to all who  
donated to our

### India Pastors Project.

Together we raised:

**\$17,383.60**

### Praise the Lord!

In late January of this year, Pastor Craig and two other Victory pastors travelled to India to minister at the first All India Victory Prophetic Conference.

Dr. Jeyaseelan, apostolic leader of Victory Churches in India (see family picture, right) wanted to bring ALL of the Victory pastors across India to the conference. This totalled more than 100 pastors! Pastor Craig felt prompted by the Holy Spirit that He wanted this as well.

So in December, we asked our partners to consider giving \$100 to bring one of these pastors and their wives to the conference. This donation covered their transportation, hotel and food costs for 4 days! As you can see, more than enough money was raised and as many India pastors that could come, did come.

The Holy Spirit moved mightily in the meetings. People were touched, set free, and changed. Many pastors spoke in tongues for the first time. The anointing of the Holy Spirit impacted all India!

No only were lives impacted spiritually, but through a prophetic prayer meeting, impact was made in the natural realm concerning the VCI India Headquarters. A 30 year old government issue concerning Dr. Jay's land was cleared up in three days!

Dr. Jeyaseelan  
(2nd from right)  
and his family

To quote Dr. Jeyaseelan,

"On 4th February, I realized that all of you are here and it would be the best time to go for ground breaking. You all agreed to do so. It was a very significant move. When we did it on 4th February, then on 5th February we saw in the News papers that the Urban Development Ministry of the Central Government decided to regularize these colonies and within three days' time, the Union Government sent the notification to publish the Delhi Master Plan 2021 and legally regularized our colony as well as other colonies. Praise the Lord. With in three days time the whole process was done. It is God."

Dr. Jay's entire letter as well as newsletter clippings of the historic event have been posted on our website. The extra funds from your donations will go to help with their building site there. You can visit [www.timesofrefreshing.ca](http://www.timesofrefreshing.ca), and go to our Resources page to get the full story. Our God is awesome!

## ...India Pastors' Testimonies

Many of the pastors who attended the conference wrote to Dr. Jeyaseelan with messages of changed hearts and lives. Dr. Jay passed along six pages of these testimonies, full of the exciting things that happened to his pastors during the conference. Here is just a small sample of these testimonies from the pastors in their own words. Read and be encouraged, this is all fruit to your account!

"I felt the power of God in this conference like never before, but even more the moment I reached Almora I felt a huge wind had been traveling with me and come over and inside me and I felt the abundance of His spirit."

"God touched me and released me in the worship. The chains were broken in my life."

"This prophetic conference has strengthened me more in the Lord's love. I have been baptized in the Holy Spirit and spoke in the tongues."

"I was limiting God with my thoughts. But in this conference I have learned to surrender myself totally to God. God can do more than what I think. This conference has changed my perspective about my future."

"This conference has changed my life completely. I learned not to quit in between but to pursue after. To act in faith and not to wait for feelings. Altogether this conference changed my course of my life. Now I am sure that I will fulfill the purpose of God."

"I personally felt a prophetic anointing upon me. Especially during the alter call for the youth and worship leaders the anointing was clearly visible and extremely powerful. The whole week was a life changing experience and a major turning point in my life."

"In this conference I felt that we were worshipping like angels in heaven. There was a powerful anointing during the time of worship which released me so much. I could recognize all authorities I have in Christ."
