

The Times of Refreshing

Volume 4, Issue 4 * July and August 2005

The Times of Refreshing is designed to keep our partners up to date on what is happening in our ministry, Times of Refreshing.

We are confident you will find this a valuable source of information providing regular contact from the show host, Craig Buroker, a sneak preview about what is next on the show, and our latest product available.

We feel that God is using our ministry to impact this nation both as an oasis of God's presence to its viewers and as a trumpet call to Canada's church.

It is important for our partners to stay informed, and that is why we've started The Times. If you would like to write to us, see our contact information at the end of the newsletter. We love to hear from our partners!

From Pastor Craig's Desk...

Thanks, partners, for joining with us and enabling us to reach out in an ever expanding circle of influence.

I love to see the great relational teamwork model that God is using in these last days. I find myself relating to others in the body of Christ on a whole new level as God makes us more and more of a family here on earth in preparation for what we will be like in heaven.

Speaking of heaven, there have been some tremendous happenings in the last few places I have ministered. At the Victory Ladies' Conference Anne and I spoke at in Canmore, we had an altar call for those who wanted the baptism of the Holy Spirit. Seventeen of the twenty ladies that came up to be prayed for Holy Spirit infilling began to speak in tongues within minutes.

The same thing happened in a church in Ontario in June. I spontaneously called out a young fellow who had been strongly touched by the Holy Spirit in the meeting the night before. When I asked him if he 'spoke in tongues' yet he said, "No." So we laid hands on him and he began to speak fluently in other tongues right there in the middle of the service. I then asked any who had a desire to speak in tongues to come forward. All but one of the twelve that responded were filled and began to speak immediately. What a glorious start to Sunday morning church!

In many places the Lord has led me to minister on the Glory of God and how God is calling the Church to higher realms in the Spirit. At the end of these services I often play some 'heavenly' worship songs that I have on my laptop. As the people have begun to worship, they have had tremendous spiritual experiences.

A number of months ago in Barrie, Ontario, I played such a song and the heavy presence of God began to come into the room. Many in the service

were weeping openly and others told me after they felt washed in the sense of His Glory. At the end of the night two little girls, ages 8 and 9 came up to me and told me why they had been crying at the altar all through the music. They had asked God for 'more' and when they then looked up, they both could see an angel standing at the front of the church! Each time they looked at the angel he smiled at them and they were overcome with his beauty and radiance.

Just last month in Oshawa, at the end of a three day meeting, I preached on the Glory and at the close of the service I called the band up to minister (the Tehilla Band from Toronto was ministering that night). As we began to worship the presence of the Lord got stronger and stronger. At one point when I could feel the weighty presence fill the place so sweetly I opened my eyes. Half of the band was no longer even playing, they were just lost in worship. It was glorious.

I feel very strongly that the Body is in the process of moving from one level of glory to another. God is trying to get us to reach out for more of Him than we ever have before. We are now spiritually able, by the grace of God, to reach out and ask and believe Him for more of His presence, where we might have drawn back in years gone by. He needs His bride to rise to new things in the Spirit. He needs us to see and hear the things He wants to release from heaven that no one has ever seen or heard before.

People are beginning to hear the sounds of heaven. I have noticed when there is a strong anointing I can hear a sound of heaven in the house. It's hard to describe but it is a sound that is 'behind' the music. It comes as much as a 'feeling' as it does a 'sound' you would hear with your physical ears.

Many Thanks to Our Prayer Partners...

Thank you for praying for Pastor Craig on his latest ministry trip to Scotland. His team saw great effectiveness with what they went to accomplish for the G8 meetings there.

Pastor Craig has noticed that attacks come as a 'backlash' to ministry trips such as these. For this reason, we ask that you continue to pray throughout the summer for supernatural protection for his family, his ministry and his possessions.

If you would like to be a part of Pastor Craig's prayer shield and receive monthly prayer directives by Email, please contact us at info@timesofrefreshing.ca with your request. Thank you.
